

JOHANNA LINNEA JAKOBSSON

Johanna Linnea Jakobsson is a Danish-Swedish vocalist, saxophonist and songwriter

Her debut album “Alone Together” (2022) was praised by several European jazz magazines and named one of the best vocal albums of 2022 by Japanese magazine Jazz Hihyo

On her latest album “**Don’t Overthink It**” she dives further into the act of songwriting, where the lines between jazz, folk and pop are blurred and ultimately irrelevant. The album has received a string of rave reviews, highlighting Johannas songwriting abilities and vocal skills as well as the attention to detail that embodies the entire album

The single “Time” was nominated for single of the year at The Danish Music Awards Jazz and several songs from the album has been in heavy rotation on Danish national radio station P8 Jazz. Her music has also been featured on BBC Radio 2 and JazzFM (UK), and Johanna herself has appeared in the Take 5 segment on The Jazz Show with Jamie Cullum (BBC Radio 2)

Other notable credits includes composing the score for the Emmy-winning Viaplay- series “One of The Boys” (2023) together with producer and drummer on both of her albums John Fernold
